JOIN US AS A CHALLENGE 22 SPONSOR!

Do your part to prevent suicide among our veterans by becoming a sponsor for the third-annual **Challenge 22 Walk on Saturday, March 25, 2023** at the Jacksonville Beach Pavilion.

American Legion Post 129 has a goal is to raise \$10,000 through the event, which will be distributed among suicide-prevention groups, treatment providers and nonprofits that help veterans in need of mental health assistance through **PROJECT VetRelief**, a program of The American Legion Department of Florida.

There are 10 strategic partners and over 30 other veteran service organizations that work together with PROJECT VetRelief to support veterans locally.

This event is one of many held throughout the U.S. as a way to bring awareness to the staggering 22 veteran suicides a day. In collaboration with physicians, therapists, and health care workers, PROJECT VetRelief works with a variety of programs that focus on veterans' mental health, including care and evaluation by highly-trained, board-certified physicians – all at no cost to the veteran.

Sponsors are also encouraged to ask employees to sign up as walkers in teams to promote their support of the event.
