Commander's Corner by Danny Rodriguez

Dear family, our membership is at 101 percent. I want to thank everyone for helping get us there.

May 26th Post 129 will be hosting the Memorial Day service at the Beaches Memorial Park and will start at 1400 hrs. Please come out and show your support for this special event. The ROTC will be doing drills and the flag presentation.

We had a busy month last month and this month will be just as exciting. We are having the elections on the 26th of the month. This is a Saturday and it is also the opening of the beaches weekend so come out and vote for your new officers of the post.

I have a concern with a few of my officers. As officers you are suppose to be running the post, we can not do the business of the post if you do not show up the meetings. I also would like to see more members at the meetings, you have a voice in the control of the post business. If you don't like some things that we are doing than you can come and voice your concerns.

I have to continue with thanking the Volunteers for their continued work. Remember they are priceless and keep us shining and going

I also am asking that all of the members that have done work on the four pillars to report their hours and if you

1st Vice Comments by Don Grzena

Happy Easter to everyone! This will be my last article to you as your 1st vice. Due to some things out of my control and the fact that I want to move back to Michigan, I will **NOT** be running for Commander or anything else. I want to **Thank** everyone for your support during my terms as 1st Vice. It has been an

honor to serve this Legion. I am proud to say that we hit over 100% in membership for the third year in a row!! Thank you to everyone for that!

"Operation Open Door!" is no more. Due to lack of donations, I have decided to stop asking for money. The money that has been

collected will go into the Legion General funds. **Thank you** to **ALL** that have donated to this worthy cost!!!!

Again, I want to thank everyone for your support as your 1st Vice and we will C U around the Legion.

Auxiliary News

by Kelly Bush

Thank you to all of our wonderful volunteers that helped with our March steak bingo and dinner night, especially Wanda and her helpers. I really appreciate everyone stepping in to help out since we don't have a second Vice President. Also, thank you to all of our members that brought treats for the K9s!

Please bring your volunteer hours to our regular meeting on April 3rd. We must complete our annual reports by Sunday, April 13th, in order to hand deliver them to the 5th District Chairmen at our next meeting at Post 54, Fernandina

Beach. If you would like to attend 5th District, it starts at 2:00 p.m.

Please join us on April 18th for another wonderful dinner and steak bingo night provided by our Auxiliary volunteers. We will make it a very *Good Friday!*

We will hold elections for new officers on Thursday, May 1st, at 7:00 p.m. Please consider becoming an Officer or Chairman to help with our many great programs & service projects!

Yours in service, Kelly Bush, ALA Unit 129 President

A Happy Volunteer

American Legion Riders

by Lee Fair

Thank you to everyone who helped with our meet and greet for the Department of Florida Legacy Ride. The money collected all goes to scholarships for the children of our military that lost their live in battle. Thanks also to those who were here to see them off on March 27th early in the morning and anyone who participated in the ride.

We are working on the wreaths Across America poker run in October. We did great last year and

will do better this year. We need to make sure that all of our departed comrades at Jacksonville National Cemetery have a wreath on their graves to respect their dedication and sacrifice to our country.

The ALR has done several meals for our post and various charities. Thanks to all who participated. We need more that can cook a meal. Richard Jordan had done most of them. It is not fair for the rest of us to rely on him to do them

all. He will help anyone who will that volunteers to cook a meal. Let's all remember why we are members of the American Legion, SAL, Ladies Auxiliary and the riders. It is to support our veterans and community; service. Let's all step up and help.

had given monetary gifts please tell us, we report these to national and lets them know what we are doing. In case you don't remember what the 4 pillars are they are Veterans, Child Welfare, National Security, and Americanism. We can all help by just donating just a little time by volunteering. Please start to tally them. The reports will be needed soon.

So we have been playing a game called the "Queen of Diamonds", the rules are posted in the post. At the time that I am writing this the pot is now up to over \$1000. dollars. The rules are going to change when someone gets the queen. The

changes will be something that you like. More money to you.

One last thing, let us remember that the POW/MIA table is there as a reminder that we must not give up the fight for the return of those missing. I say this as a reminder to our members and guest not to place anything on or remove anything from the table. Respect it as you would the alter of your church.

Locks of Love

Legionaire "Ponytail" Pat Fowler will be having his ponytail cut and donated to "Locks of Love" on April 26th at 2:30pm after our usual golfing Saturday at American Post 129. Locks of Love is a non-religious, non-political, not-for-profit entity that promotes the well-being of children through it's program of providing custom hairpieces for disadvantaged children with medical hair loss.

The cost of producing one of these custom quality hairpieces for a child is approximately \$1,000. At this event you will have the opportunity to donate to help offset this expense as well as participate in a raffle for the right to cut one of Pat's locks. There will also be a 50/50 drawing. All the donations

and proceeds will go directly to Locks of Love. All donations are tax deductible.

We look forward to seeing you there and having fun with Pat at this event.

DRUNK (Insults)

I never knew he drank till I saw him sober.

He recently had a sobering experience, the bar closed.

He drinks to calm himself, last night he got so calm he couldn't move.

He only drinks at certain times of the day, morning, noon, four and five.

Twice last week he fell down under his own power.

He had a horrible accident. He was driving while drunk, came to two bridges, and took the wrong one.

He thinks there is only thing worse than drinking....Thirst.

He read about the evils of drinking, so he gave up reading.

Two drunks saw a man siphoning gas from a car. One said to the other, "I hope I never get that thirsty.

Canteen Update

by Brandi Roberts

As many of you have heard Post 129 is raising funds to buy the K9 officers of Jacksonville Beach Kevlar vests. Post 129 wants to help protect the K9 officers of Jacksonville Beach the same way our troops and civilian law enforcement officers are protected — by providing our working K9s with much-needed Kevlar vests. You can help us keep our working K9s safe from harm by donating on our website or participating in one of the upcoming fundraisers.

The first fundraiser for this cause will be the Low Country Boil on April 5th during the ALR Bike night. The amazing volunteer

crew will be hard at work bringing you a fantastic meal while the ALR will keep you entertained with music and games! Please be sure to come on out!

Sunday night game night has been a huge success! Stop on by around 6pm and give it a shot! Everyone is having a great time. Richard is doing a wonderful job in the kitchen during lunch. If you haven't stopped by now is the time!! He is serving lunch Tuesday through Friday from 11am to 3pm.

Mark your calendars for Saturday, May 3rd! We are bringing back comedy night!! This is a once a year event that you will not want to miss. These are nationally touring comedians that will keep you entertained all night long!!!

With the event hall looking better than ever the dates are starting to fill up! So if you know anyone that is looking for a venue to hold a wedding, birthday party or other celebration please let them know that the hall is available for rent and to contact Brandi at the Post.

Ask Ethel.....

Dear Ethel: Some cynical gardener said that April showers bring May crab grass. That weed hater should realize that some weeds are good to eat. Agree?---Dandy Lion Trainer

Dear Dandy Yep. I assume you're a member of the Dandy Lions Club. :

Dear Ethel: With all the heavy snow up north this winter, I didn't hear about any St. Bernard dogs finding folks lost in blizzards. Where are all these brave, smart animals?---Saint Seeker

Dear Seeker Possibly they all discovered how to get the cork out of the keg.

If you have any questions for the "Ask Ethel" column, she would appreciate your input. Send the questions to Ethel at: triplejj@comcast.net

Lately, the U.S. media establishment has been packed with the Russian-Ukrainian military crisis. Many of our news pundits have interpreted this as an attempt by Russian leader Putin to reestablish the Soviet Union, which broke up years ago. My late wife and I toured in Russia twice during that historic period. Our travels there gave us a unique view of the Russian military mind as the Soviet Union disintegration took place.

Former Russian soldiers and sailors peopled the city streets, selling parts of their uniforms to tourists, in a pathetic effort to exist as

civilians. We purchased army and navy headgear, military watches, and lots of medals. The numerous decorations illustrated the Russian love of such awards. Their chests must have been heavy with the weight of them. The comparison between this and our American military discharge practice after World War II was stark. We, as soldiers, sailors, and marines, all ranks, were given the G.I. Bill and the opportunity to get a college education and a home. The experience made us more proud than ever to be U.S. citizens

Welcome to Today, Another Day, Another Chance. With every day comes the chance to change your life or that of another.

After spending Spring Break 2014 with a few family members and grandchildren, I was quickly reminded how one's mood can change and how deeply one's heart can remember

good and sad memories and how strongly another person can affect your entire well being.

"Respect the old when you are young, Help the weak when you are strong, Confess the fault when you are wrong. Because one day in life you will be OLD, WEAK and WRONG"
