## Commander's Corner by Danny Rodriguez

Well family, we are starting a new year, and I want to get this year kicked off fast. There have been several ideas given to me, and I am still looking for programs that fit the four pillars of the American Legion.

The Post was over 100% membership last year, and I am looking for the same this year. Renewal will start in July, so please try to renew early. We worked together to make things happen last year, and became stronger. We need to do the same this year.

You found it in your hearts to re-elect me as Commander again, and I want to do a good job again this year. We have a lot of new faces that stepped up and ran for office in the Post. I ask of you, as members, to help support them, as I will. It is a hard thing to do by giving of yourselves the extra time to manage the Legion's affairs.

I am still holding a position within the 5th District as Sgt. at Arms, but I am looking to become a Vice-Commander in the District.

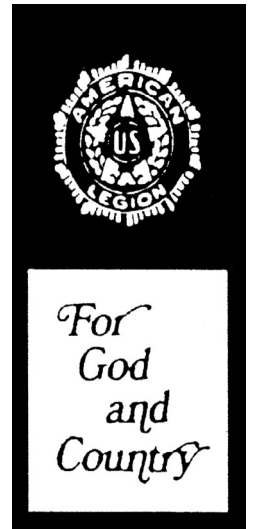

I have the Post in mind and will do everything in my power so that we are recognized through out the state.

One way that you and I can do this is by "blowing our horn" and telling Department everything we do for the Community, the Veterans, and for the Children and Youth Programs. Remember the best way to do this it to get news coverage. If they print it, we can forward it to Department.

To those who wish to help the Post, I have Chairmanships available. Some of them just takes a little work, some require more work. If this is not what you like, I know every function needs volunteers. For example, the fast approaching holiday, the 4<sup>th</sup> of July. We need people to help cook, set-up, serve and clean up afterwards. You don't have to do it all. Just an hour or two is great. Just remember to keep track of your time.

I will be making a slip that will be kept on the office door so that you can fill it out and we can keep track of it. These hours are reported to National at the end of the year and this is what National uses to help leverage Congress to help keep the Veterans from losing benefits.

# Auxiliary News

by Kelly Bush

Congratulations and thank you to the wonderful volunteers who were elected to serve as Auxiliary Officers for 2014-2015. We still have an opening at the 2<sup>nd</sup> Vice President position and several chairmanships, please see Kelly Bush if you would consider serving your unit. Our general meeting will be held on Thursday, July 3, at 7:00 p.m.

We had five Auxiliary members attend the annual Department convention in Orlando and it was very informative.

Don't forget to come out for bingo on July 4<sup>th</sup>. There will be surprises and lots of fun to celebrate Independence Day!

We will hold our annual Christmas in July Auxiliary dinner on Friday, July 11. We will have a great holiday meal and many wonderful silent auction items to bid on.

Yours in service,

Kelly Bush,  
ALA Unit 129 President

# S.A.L. News

by JD Kapeghian

On a lighter note, the S.A.L. would like to congratulate all the newly installed officers for 2014-2015. We are very confident that this will be a great year!

There are many ideas and goals that we hope to accomplish. Our itinerary includes increasing our donations for Wreaths Across America, Canine for Warriors, and T-shirts and backpacks for our local school's Special Olympics.

On July 19th we will be holding a "hat sale" in the back hall. We ask for

new, used and slightly abused hats of all sorts. All contributions of \$2 a hat will go to Wolfson Children's Hospital to assist in buying teddy bears for all the kids. We ask for everyone to buy a hat and if you don't want the hat, there will be a donation box, and all the donated hats will go to Boy's State. We need all the participants we can get for this great cause.

On the 4th of July the S.A.L. and the A.L.R. will be hosting a half rack of baby backs, homemade potato salad, baked beans and garlic toast. Starting at 5pm until 7pm. Preorders are

requested. Hang around for SUPER steak B-I-N-G-O, and the fireworks spectacular!

On July 18th we will be having Friday Night Steak Night! Served with loaded baked potato, fresh grilled vegetables, garlic toast and dessert. As always volunteers are more than welcome and needed!

See you for Christmas in July! Thank you and goodnight!

## Commander (continue from page 1)

We are getting the blood drive started again. I have contacted the Florida/Georgia Blood Alliance and the bus will be here on the 4<sup>th</sup> of July from 10 a.m. to 1 p.m. Our new blood drive coordinator is Linda Barefoot. So come out and give if you can, it helps us all.

One last thing I would like to say is that we need members to attend the meetings. Remember, if you don't like a decision that we made, and you did not show up at the meeting, you can only blame yourself. I know that I expect my officers to show up, and I would like to see more members as well.

## Happy 4th of July!!!

## Legion Riders' News by Jim Wineland

As your new director, I would first like to say thank you for giving me this opportunity. When I gave my short introductory speech on why I should be considered for the director's position, I mentioned that I wanted to share my experience of what I learned during the Florida In-State Legacy Ride. It amounted to a 1,300 mile education of what the Legion Riders are all about. **Giving back to the veterans is the number one goal.**

Without question, we are here as one of the support legs of the post. We also have to develop a strong relationship with the other two support legs, the Auxiliary and the SAL. Together, all three legs have to make a joint effort to develop functions that support not only the Post, but each other.

When it comes to my vision as a rider, it's hard to believe, but I think we should ride! The Legion Riders are the "billboard" for the American Legion.

We should plan a ride after each meeting, maybe a couple of overnight rides to other posts outside of the 5<sup>th</sup> District. Post 117 hosted the in-state rally and would be a great overnight trip.

One of our goals again this year is to support our Wreaths Across America program. This is our main charity, and we need everyone to join in and support Linda Barefoot, our Event Coordinator. She still has several volunteer positions to fill as we need 30+ volunteers to make this work.

We currently have 70 members and every member has an opinion and a voice. It's up to all of us to support each other and build our organization here at Post 129.

Ride Safe!

On July 19th we are holding a fundraiser to raise funds for our toy drive for Wolfson Children's Hospital. We start the day with a hat sale in the back hall from 2pm to 6pm. So what that means is we need your help! Or more accurately we need your hats!

Go through those closets and boxes

## Dear Ethel....

**Dear Ethel:** Isn't middle age the most uncertain time? As a fortyer, my mind says "Go! Go! Go!" but my body says "No! No! No!"---**Youthless**

**Dear Youthless:** Yes. For the middle-ager, a night on the town is followed by two on the back.

**Dear Ethel:** I wonder what happened to the campaign against loud television commercials?---**Ear Plug Doug.**

**Dear Doug::** Looks like it died, maybe because the politicians pushing it learned that their political ads are commercials.

If you have any questions for the "Ask Ethel" column, she would appreciate your input. Send the questions to Ethel at: [triplejj@comcast.net](mailto:triplejj@comcast.net)

## Wall of Honor

We are attempting to start a new tradition at American Legion Post 129. We would like to place up pictures of all ACTIVE DUTY Personnel, in uniform on our wall.

## Pass the Trash

Come out Sunday nights at 6 p.m. and have some fun playing "Pass the Trash".

# Legion Lore

by Jack Hardebeck

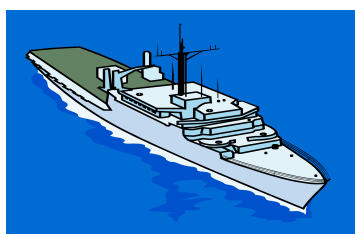

# Thank You.....

Debbie and Frank Left did an awesome job making the ramp on the north side of the building!

Thank you for all your hard work!

The current federal administration seems bent on eliminating our armed forces as a respected organization of national defense while making statements of admiration. First we had the failure to send help to Libya, possibly stopping the murderous attack on our people. Then there were the disgusting revelations of neglect and cover-up in the V.A.

It should be no surprise if we see a drastic decline in enlistments and reenlistments. Should this malpractice persist, how long will it be before some ambitious dictator decides to invade a weakened U.S.A.? As a reminder, there's our World War II mantra, "Remember Pearl Harbor!"

## The World According to Me ...by Patty Rodriguez

In special honor of July 4th, when most people think of having a day off work or a reason to party, I would like all of us to remember what we are truly thankful for and celebrating. This month I have the pleasure of sharing yet another poem written by one of our own Legion Family members.

### The Familiar Stranger

I have round eyes  
Boots and a rifle  
I am a familiar stranger

Yesterday a letter came  
It was like reading a dream  
As new realities callus my brain

Children frolic amid putrid  
Open sewers—their future choices  
Offering only different forms  
of misery

My enigmatic rage is soothed  
By thrusting my maleness on  
Bamboo matting abrades my knees

I am quieted now as she joins  
My dollar with others in a jar  
On a table next to a large crucifix

Later I remember only  
The sing-song music and the awful  
Stench of fish-heads, garlic and  
incense

I hunker down in my jeep with  
Its radio and bullet-inviting  
Antenna as I count the remaining  
days

Many, many years have passed  
And the enemy is no more—  
But again I am the familiar stranger

Michael Diercouff
