Post 129@comcast.net

August 2011

# Commander's Corner by Danny Rodrigues

Well to start off I want to thank you for having faith in me to be your commander. I am looking forward to meeting all the members that I can and get us off to the start of a great year. I would like to see this post shine like a bright star in the sky, and one that the Department of Florida and National will recognize. And with that being said I am going to remind all of the members that we have membership cards now. Please don't wait till the end of the year. We missed getting our 100% membership last year and I would like for us to get it early this year. So please send them in.

I am also looking for new members and we have allot to offer. Not only have the benefits of being a Legionnaire but for those on active duty we can help with community service programs to help you in your career. What better way an active duty member to help his community than to help fellow veterans.

As always I am looking for volunteers for everything from cooking in the kitchen to the Croaker tournament, and this year we are working on a golf tournament, and keep our building together. There are so many things that can be done and this post runs on volunteers help. So see me or any officer and we will get you pointed to the right people.

I would like at this time to thank all the officers from last year in their hard working keep us going and to all those that volunteers, Thank you from the bottom of my heart. You made it so easy to get things done and keep the post running.

I have the sad duty of reporting the passing of a Joe Newberry. He will be missed. And Thank you to all those who stepped up at service and helping.

We had the Fancy Pants fish fry again and thank you guys in those funny pants to the for a great meal.

### S.A.L. Notes by JD Kapeghian

The S.A.L. will have a membership drive to help bring us up to 100%. With everybody's help, by bringing in a friend, we should be able to make this a very productive year. So, talk to everyone you know, find out if they are eligible to be a member and get them into our post! On August 5<sup>th</sup>, S.A.L. will be serving a rotisserie chicken dinner. We need all the help we can get, either with dinner or the steak bingo. From the S.A.L. squadron 129, we like to thank you and see you there.

Convention was exciting; my wish for next year is for more ladies to attend from our Unit. Kathy Jewell our Unit Historian last year was also 5<sup>th</sup> District Historian for Wanda Brandt. Kathy's formal write up of the 5<sup>th</sup> District's history received top honors from the Department of Florida. Congratulations Kathy we are all so proud of you. I need to recognize another very special member, Debbie Payne. She nominated our Unit 129, to her company as a non-profit organization that is trying to help Homeless female veterans. As a result, for the month of April the employees of Unisource donated monies so they could wear jeans on Friday. Ladies, make sure you thank Debbie, because her company raised \$500 for our Unit. Thanks so much Debbie!

I am happy to announce Ann Nicole has agreed to be our secretary next year and I was amiss not mentioning that Pat Cornell would be our Treasurer again this year. Thanks to you both. If you have not visited the canteen recently, please take a peek at the Auxiliary room. All the mildewed carpeting has been removed and replaced with a floating wood floor. Thanks also to the generous donations from the Dart league, Cabane, and 40 & 8 that donated monies to assist in the payment of the floor.

Thanks to everyone that helped with Christmas in July. Marsha Clifton you did an awesome job coordinating, cooking and advertising. Thanks to all the ladies that cooked and donated turkeys and ham. The cake walk and booze walk was fun and the quilt made by Carol Marks was an added treat that was auctioned off. It was a great way to kick off our new year.

Please come to the first meeting, Thursday August 4<sup>th</sup> at 7:00 p.m. We still need committee chairman to step forward, and thanks to everyone that has already said they can help.

### **World War II**

The instability created in Europe by the First World War (1914-18) set the stage for another international conflict—World War II—which broke out two decades later and would prove even more devastating. Rising to power in an economically and politically unstable Germany, Adolf Hitler and his National Socialist (Nazi Party) rearmed the nation and signed strategic treaties with Italy and Japan to further his ambitions of world domination. Hitler's invasion of Poland in September 1939 drove Great Britain and France to declare war on Germany, and World War II had begun. Over the next six years, the conflict would take more lives and destroy more land and property around the globe than any previous war. Estimated 45-60 million people killed. United States declared War on Dec. 8 & Dec. 11 -1941

# Canteen Update

#### by Brandi Roberts

Hello from your Canteen Staff,

We are continuing to make improvements to the post. Last month we brought another TV to run our current events, specials, pictures from around the post, and kitchen menu. Check it out next time you are at the post. Let us know We know there is a lot going on at our Post and in an effort what you think. We are always open to suggestions. Also we are looking for pictures to add on to the presentation. If you have any in digital form please feel free to email them to me.

Also this year, if there is an NFL season, we are going to bring in the NFL package if we can raise enough money. If we do you will be able to watch every televised NFL game right here at Post 129. If you are interested in donating to this cause please see Brandi. In addition we are working on bringing in some additional Smoke Eaters. This is a large investment and will take time to raise the funds but we have heard your complaints about the smoke and want you to know that we understand and we are working on it. It will just take us some time to raise the funds.

Remember that we have brought in the Florida Lotto! Our members have won over \$40,000 in scratch off tickets alone! We are excited by this and hope you are to. If you

play the Lotto please consider buying your tickets here. When you buy or cash in a lotto ticket the vender that you use gets a percentage, wouldn't you rather have your American Legion get that money then someone you don't know?

to keep everyone informed of all the great events, meals, activities, and specials we have started a weekly email. If you would like to be added to the list please email me at brandiroberts@att.net

As always we would like to thank all the members that help out around the canteen there are too many of you to name but we hope that you know how thankful we are for your help. This canteen could not run without you! We are continuing to bring new and exciting events to the post! If you have any ideas or would like to get involved please let us know. We can always use your help!

Let us know your needs, expectations, and hopes. We hope to serve you soon!

### Ask Ethel

Dear Ethel: I have thought of an invention that could save the Post a huge pile of money: a "people-power" air conditioning unit. It could be hitched up to the rest room entrance doors and every time they were opened it would generate electricity. Think that would work?---Crackpot Inventor

Dear Crackpot Inventor: I doubt it. To generate enough power to cool the Post premises, we might need to add enough rest rooms to accommodate the population of Jacksonville Beach. I see a crack in your potty idea.

Dear Ethel: If Congress wants to do something to help us, let 'em pass a law that says filling station can jack up the car but not the gas. I feel we should have the price of gas on the "sickness and death" blackboard so we can all mourn it---Disgusted Gasse

Dear Gasser: Welcome to the new club: Aghast Gassers

### Notice to All Members

We are in need of an Artist / Calligrapher to design and paint ceiling tiles for a fund raiser to benefit the building fund.

The tiles will be sold to any member for a memorial or whatever you would like to put up for all to see or advertise. Please see Jerry if you could recommend someone to do this volunteer task. As soon as an Artist is found the post will start selling tiles to be installed in the canteen ceiling.

# Legion Lore by Jack Hardebeck

Remember the old Civil War homecoming song, "When Johnny Comes Matching Home"? We may be singing it again if our troops start leaving the Middle East war zones as announced by the President. This should be a joyous development no matter what we might think about the wars.

Certainly, our current soldiers will get a much better reception than our Vietnam veterans did. That was very sad. However, I believe we would have to do worse to equal the apparent treatment endured by the Russian military when the Soviet Union broke up. As that was happening, my late wife, Lucy, and I were touring Soviet territory on our second trip over there. In Russia, the armed forces were shrinking and former members were everywhere tourists were, selling parts of their uniforms, medals, watches, etc., as souvenirs.

I assume that they didn't receive much, if any, mustering out pay. On the street, I bought a Russian army hat, a Russian navy hat, and a load of military medals. The ex-troopers and sailors showed no emotion. They were just "rushin" to get some badly needed rubles. Their clothing was threadbare, civilian garb, so I guess they had already sold their uniforms. God forbid that we should have our returning vets discharged in such a poverty-stricken way.

There has been no interest on the first annual "Teach a child Golf" Tournament, i'm sad to say, but we are still trying to make this tournament a go. So if anyone would like to help with it, and get involved please be at a brief meeting on August 4th at 7:pm to discuss options as to whether to move forward. The outing will be in late October at the latest. See Jack or Jerry if interested.

I would also like to thank **Sterling** and **Linda** for all the work they did to make the newsletter get out each month for the past many years. I can tell you it is not an easy task. & without there help, I would have been lost in making it a continued success.

I hope I speak for all the members in saying a Thank-You to both.

Vinegar will clean anything a glass cleaner would. It can also be used to freshen laundry in the rinse cycle.

On July 4th earth was at its <u>farthest</u> point from the sun, in comparison on January 4th the earth will be at its <u>closest</u> point to the sun.

### MEET M.R. SUNSHINE by Lance Miller

There's nothing like a burst of light to brighten a room, especially sunshine or in this case M.R. Sunshine, the latest talent to be show-cased in the evenings at Post 129.

M.R. (Michael Robinson) is a versatile musician/singer whose vocal range enables him to easily cover popular artists, male and female, both recent and past. One minute he's crooning Etta James' *At Last* and he'll quickly follow with the velvet bass tones of Barry White's *My First, My Last, My Everything*. This reviewer was blown away with his rendition of the Bee Gees hit *How Deep is Your Love*, where he seamlessly handles three-part harmony (not at the same time, of course).

Currently living in Middleburg, Michael has appeared on stage and clubs throughout the United States as not only a singer, but bass guitarist, pianist/organist. His musical repertoire focuses on pop, rock, R & B, country and gospel. But as captivating as his wonderful musical talent is, it's his engaging rapport with his audience as he plays the room with his wireless mike, that has caused his band of Legion followers to increase in number since he came on our scene about two months ago.

His biggest "gig" in the Jacksonville area was when he hosted and performed at the welcoming ceremony for the American Idol local auditions at the Jacksonville Landing. More recently, he auditioned for Simon Cowell's new X Factor TV show, where he finished in the top 80 out of 3000 + aspiring acts. When he's not performing commercially, he appears monthly at Senior Citizen homes as part of his "People Need to Care Project", bringing joy to the elderly through his music and performances. And, by the way, he's a veteran of the U.S. Army (Infantry).

#### A BRIEF HISTORY OF OUR VETERANS

by Susan Ness Gregory

The United States of America has the best system for veterans of any nation in the world.

It dates back to 1636 with the pilgrims and improved into 1776 when the pensions were established for disabled veterans. By the 1920's the various benefits were administrated into 3 different federal agencies. Brigadier General Frank T. Hines who directed the Veterans Bureau for 7 years was named the first Administrator of Veterans Affairs until 1945. WWII G.I. Bill was signed into law on June 22, 1944, and had more impact on the American Way of life since the Homestead Act. On March15.1989 the Department of Veterans Affairs was established as a Cabinet level position. President Bush said "There is only one place for the Veterans of America in the Cabinet Room and that is at the table with the President of the United States of America". This being said where are our Veterans voices being heard today.
