## Commander's Corner by Lee Ingraham

As we start the New Year 2011, I'd like to wish all a Happy and Prosperous New Year. 2010 was a pretty good year for the Post and I hope 2011 is even better! Thanks to the 2010-2011 Legion Officers, Jerry Brandt, 5<sup>th</sup> District Commander, Candace Mabry, the Auxiliary President and Tom Dawson, the S.A.L. Commander for making a cohesive team to get things done during the year. Our Christmas Dinner baskets for the less fortunate in the Beaches area was a success – the food barrel once again was full as it was for Thanksgiving. I'd like to give a special thanks to the Gator Club for donating about a half a pickup truck full of canned and non-perishable foods. The "Toys for Tots" barrel was just about full too – I

hope we helped make some families and Tots a better Christmas. Thanks to Harry Becker for coordinating the Toy program for the Marine Reserves here at the Post.

**Dues** - As you know, those of us drawing Social Security will not be getting a Cost of Living Allowance (COLA) again this year, but Dues for 2011 are now overdue and we are far behind in our membership renewal percentage goal so we need to catch up quickly. Remember no current membership card – no food or drink from the canteen!

**Legion Constitution and Bylaws** - At our first meeting of the year, we will be voting to approve/disapprove (continued on page 3)

## Softball Season 2010 by Marsha Clifton

**Legion Softball** – Well we made a much better showing this Summer-Fall season than in the previous ones! We won a few games! A poem written by Marsha Clifton, our Coach's wife and "Team Mother" pretty well describes the last season! Thank You Marsha

**Softball Season 2010, Post 129**

American Legion softball season  
It was fall of two thousand ten  
Expectations were low, as history had shown  
A game we had yet to win.  
The team came together

and practice began  
But the start of the season was dim  
Despite their hard work, the first two games  
Still didn't produce a win  
Optimistic, this group set their sites on game three  
And positive results were seen

# Auxiliary News

by Candace Mabry, Auxiliary President

Happy New Year, even though the Auxiliary year is half over! We've accomplished so much but still have so much more to do. We had a wonderful dinner and visit from our Department President, Irma Wehrli and Mary Kelly-Perkins, National Executive Committeewoman. I would like to send out kudos to Danny and Terry for creating and serving a delicious dinner. Also thanks to Wanda, our 5<sup>th</sup> District President for being tour guide and I hope your hearing has returned. The Laying of the Wreath ceremony was frigidly cold, but so worth the experience. Thanks to everyone that participated and bought from the "Giving Tree" and the New Years Eve Raffle basket. It was a great success as was our Christmas Party. Thanks to Santa and Mrs. Claus and everyone that volunteered to

make this annual event so special each and every year. Marie and Mary Ellen were the elves that kept everything organized.

Girls State is kicking off so ladies get ready to answer the call if Marie or Pat needs any assistance. Also all you cooks out there talk to Shannon about doing some dinners for the Auxiliary.

Early Bird dinner is January 8<sup>th</sup>, so everyone that renewed your membership prior to November 11 is welcome to come to the canteen and enjoy a free dinner. See the bulletin for details. On that same day, the Auxiliary has organized a "gold" party. So bring your old or no longer wanted gold jewelry to the Auxiliary office starting at 3:00 p.m. and it will be weighed and you will paid what it is worth. There

is no pressure, so if you don't like what is offered, then just keep it! Not only will you get full value for your gold, but your Auxiliary will get 10%! Membership is up again, Kelly announced we are at 70%. For those that have not renewed, please do so, we are counting on you to make our goal of 100% again this year. Don't forget the bartenders starting January 1<sup>st</sup> will be checking your membership card in order to be served.

## News from the Galley

by Danny Rodriguez, 2nd Vice

I would like to again thank everyone who has volunteered to do dinners in the galley this past month and looking forward to seeing more of you volunteering for this upcoming month. I would like to thank Terry, for the outstanding meals such as our Thanksgiving dinner. We served 108 meals and allot of positive feedback from it. We also did the Department dinner again this year, and I was told that it rated in the top 6 if not the top 3 dinners in the state. For those who could not make it we had a beautiful

fish dinner served by the young men and ladies of the Air Force ROTC unit. They did an excellent job and the next day did an outstanding job presenting the colors at the 5<sup>th</sup> district meeting

I would also like to thank JD and his crew for the oyster Mondays that they have done. These happen on Trivia night so you need to watch the calendar and bulletin board. The Early Bird dinner will be on January the 8<sup>th</sup>.

We are looking for some new and fresh ideas for dinner so if you have one let me or Terry know and if you want to do a dinner please I will do all that I can to assist you. By the way Terry's menu is still on the web site and he had mentioned to me that in January there could be some changes so keep an eye out. As we all know Terry puts out some great food at a price you won't find just anywhere. So come on down and support YOUR post.

the Post's updated bylaws – the new bylaws have been posted in the Legion section of the Bulletin Board since October 30, 2010 for members review. The primary changes to the bylaws include adding the Donation Committee, the American Legion Riders Chapter 129 and just making the bylaws politically correct.

**Kitchen** – The **Galley** is going full swing! Danny and Terry have been superb in providing lunches and dinners on a continuing regular basis. I have not heard one complaint about portions, temperature or quality of the food coming out the Galley Door! We hosted the Florida Department Commander,

the Department Auxiliary President and the Florida 5<sup>th</sup> District Staff for a dinner on December 4<sup>th</sup> (in conjunction with their visit to the area for Pearl Harbor Remembrance Day.) All were pleased as punch with the Dinner and the service provided by the Sandalwood High School AFJROTC. BZ to all involved in preparing and serving that dinner. Another Up check for the Post!

**Softball** – Our Legion softball team made definite improvements during the late Summer – early Fall season. Although we didn't win the League, the other Legion Teams knew we were there this season! Thanks to Wayne Clifton,

the Athletic Committee Chairman and Coach, Marsha Clifton, the Team Mother, Don Sherwood, the Scorekeeper and, of course, the fans that supported the team throughout that season. We are looking to Spring for even a better season. See "For the Good of the Legion" column for more Softball info! Below. Not pictured: Jerry Brandt, Candace Mabry, Tom Dawson & Mike Smith.

## Words of Wisdom

At the meeting on November 4<sup>th</sup> 2010, the general membership voted to start an American Legion Riders at the Post 129. Work is on the way to write the by-laws to be approved by Department.

We will have our first meeting on January 22, 2011 at 1000 hrs at Post 129. All interested in helping ALR 129 to succeed, please come to our first meeting. We will be looking

over the by-laws and voting on the officers, dues, meeting day, etc.

If you have any questions please give me a call, (904)242-8844. Until then, Ride Safe

I asked God for a bike, but I know God doesn't work that way. So I stole a bike and asked for forgiveness.

## Softball Season 2010

continued from page 1

All their hard work had finally paid off  
At last, a win for the team!

Cell phones were ringing all over town  
The celebration was on!  
Excitement was high, the message was out  
129 had won!!!

Game four was approaching, could this be a fluke?

Recruiting paid off - another game won-  
We're really starting to grow!

The season rolled on, and it really seemed  
That history might be repeating  
The next three games we went down in defeat  
Our team was taking a beating!

We were facing the team with the best record of all

But they weren't ready for fate  
Last game of the season - we beat our opponents  
A whopping 29-8!

The season is over, the banquet was held  
The teams were gathered there eating  
We were given a trophy, a first for the team  
Not for winning, but just for competing!

## Canteen Update

by Brandi Roberts

Hello from your Canteen Staff,

The New Year is here and we are working on many exciting projects and events for this year! First off in January we will be having a Monte Carlo Night on January 22<sup>nd</sup> to raise funds to go towards our canteen remodel. This is always a fun filled night and the prize donations are already coming in so mark your calendar it is an event you will not want to miss. On January 23<sup>rd</sup> we will be having our annual chili cook off. Please have entries to the post by 11am for judging. Prizes will be awarded to our top finalists; the chili will be available for everyone

to try after the judges have made their choices. Proceeds from this event will also be going towards our canteen remodel. Also on January 29<sup>th</sup> we will be filming up at the post and we need you to come up and tell us your American Legion story on camera. We want to show those who do not know what we are all about what we do and why we do it. Also on January 29<sup>th</sup> we would like to get a group picture. Please be at the post by 3pm to be a part of this. The biggest project that we will be taking on in the beginning part of the year is a remodel of the bar area. We will be taking the canopy down and replacing all the TV's

with new flat screens TV's. We have been raising funds for this through December with our Oyster nights, and our events in January will be going towards this but we will still need help from you our wonderful members for construction as well as donations to purchase the new TV's. Another project that we are trying to (continued on page 6)

## Ask Ethel

**Dear Ethel:** Have you noticed that, at our New Year's Eve parties, some people get absent-minded? Sometimes they misplace their car.---Member Observer

**Dear Observer:** No, but it would be even more confusing if they forget where the exit is or , worse yet, the rest room.

**Dear Ethel:** I just received a letter from a guy I served with in the army. He said he was determined to carry out his New Year's "revolutions." I believe he mean't to write "resolutions." What do you think? He's coming to visit me after many years.---Uncertain Ex-trooper

**Dear Ex-trooper:** When he arrives, give him a welcoming bear hug and see if you feel any hidden artillery.

If you have any questions for the "Ask Ethel" column, she would appreciate your input. Send the questions to Ethel at: [triplejj@comcast.net](mailto:triplejj@comcast.net)

I will let everyone know by phone or e-mail. Merci

## Legion Lore

by Jack Hardebeck

While our current Christmas was underway, I thought about a Christmas past. It was the one I spent in the Nay right after World War II. I was stationed in Norfolk and had duty, so I couldn't go home. However, I did have some time off and went to a nearby USO. There, I saw a bunch of sailors similarly homesick but too proud to admit it. After shooting some pool and reading some magazines, I was sitting on a couch like an oyster on the half-shell, feeling sorry for myself. A volunteer staffer said to me and another swabbie on the sofa, "Would you men like to go to somebody's house for Christmas dinner?" We both practically fell off the couch in surprise and thankfulness.

The hosts were an elderly couple whose sons were still overseas in our Armed Forces. Their parents were wonderful people who treated us like royalty, serving us a sumptuous dinner with all the trimmings. The only hitch was when the woman came through the swinging door from the kitchen bearing dessert: a plum pudding aflame with cognac (booze). Not having ever seen food set on fire on purpose, I jumped up to rescue her from being burned. I had to be restrained. Hey, what did I know? I'd led a sheltered life.

Anyway, God bless the USO and kind folks like our hosts.

## Thank you!!

We would like to express our sincere appreciation to the Legion Family for their many condolences over the past three years and especially for the recent celebration of life for Kim White. The ceremony by Chaplain Marie Esler, Candace McKenzie and the Ladies Auxiliary was excellent. The attendance was overwhelming and a big thanks to all who helped and especially Candace for the pictures.

## Man in Uniform

(Guess who this person is)

Who is the Post 129 member on the right? (answer in next months newsletter).

This individual was in the U.S. Military. Most of you will know him as he was very active in your younger days. You probably read his monthly newsletter when you were

Young. Super guy.

If you are the first one to identify the person in uniform and notify Post Commander Lee Ingraham he might buy you a drink.

Last month's Woman in Uniform was Nikki Smith.

Another great "Comedy Night" planned for Saturday night February 5th. The opening act is Gid Pool, a stand up comedian, keynote speaker, corporate entertainer, who brings a bumper crop of hilarity from his life experience and slanted look at the world. In addition to comedy clubs, he specializes in corporate and civic club events, and is the perfect key note speaker.

The feature comedian is Mike Weldon. He admits to have started in Texas.

His repertoire of characterizations includes the famous as well as the infamous. Any comedian worth his shtick can do Presidents of the United States, but Mike out does them all when he puts on the "Presidential Card Game". Going to a Mike Weldon show is like, having your own demented guide into the world where everything does not need to be taken so seriously.

Don't miss this one. If you have been to other comedy nights you know you will have a great time.

See you there.

complete by the end of February is to have our pool tables redone so that we can start our pool tournaments. If you would like to donate towards either of these projects please see Brandi. Another big change this year is that we have brought in the Florida Lotto! We are excited by this and hope you are too. If you play the Lotto please consider buying your tickets here. When you buy or cash in a lotto ticket the vender that you use gets a percentage, wouldn't you rather have your American Legion get that money then someone you don't know? We know there is a lot going on at our Post and in an effort to keep everyone informed of all the great events, meals, activities, and specials we have started a weekly email. If you would like to be added to the list please sign up on the bulletin board.As always we would like to thank all the members that help out around the canteen there are too many of you to name but we hope that you know how thankful we are for your help. This canteen could not run without you! We are continuing to bring new and exciting events to the post! If you have any ideas or would like to get involved please let us know. We can always use your help!

Let us know your needs, expectations, and hopes. We hope to serve you soon!
